

Statement From Arizona Department of Environmental Quality

Via email; June 2024

“In Arizona, septic tanks do not have to be certified, registered, or approved through the State if they meet the requirements of the rule in the Arizona Administrative Code Title 18, Chapter 9 under R18-9-A314.

A septic tank manufacturer can manufacture and sell septic tanks in the State so long as they meet the requirements of R18-9-A314. The manufacturer must provide the Manufacturer's Certificate of Conformance with each sale of the tank as required by R18-9-A314(3)(d). You can find the Manufacturer's Certificate of Conformance at:

https://static.azdeq.gov/forms/manufacturers_cert.pdf.

If the tanks that you manufacture meet the requirements of R18-9-A314, then there is no need to let the state know the State. You must provide the Manufacturer's Certificate of Conformance with each sale of the tank.”

<p>VPC Septic Tanks are IAPMO approved and meet most state and county requirements. Please check your local codes prior to purchase and installation.</p>

**MANUFACTURER'S CERTIFICATE OF
CONFORMANCE
WITH SEPTIC TANK MANUFACTURING
REQUIREMENTS OF THE STATE OF ARIZONA**

Manufacturer Information

Name: Valencia Pipe Company

Address: 28305 Livingston Ave., Valencia, CA 91355

Septic Tank Information

Brand/Model: _____ Design Liquid Capacity: _____ gallons

Certification

As required by Arizona Administrative Code R18-9-A314(3)(d), this certificate attests that the above described septic tank conforms with the design, materials, and manufacturing requirements in A.A.C. R18-9-A314(1) and (2), including the manufacturing requirement for watertightness in A.A.C. R18-9-A314(1)(b). The septic tank is clearly and permanently marked with the manufacturer's name or trademark, month and year of manufacture, design liquid capacity, and the maximum recommended depth of earth cover in feet as required by A.A.C. R18-9-A314(1)(I). The tank is supplied with instructions for handling and installation as required by A.A.C. R18-9-A314(3)(d)(ii).

Name of Certifying Official of Manufacturer: Christopher Butler

Title of Certifying Official of Manufacturer: Vice President, Manufacturing & Distribution

Signature of Certifying Official of Manufacturer:

Date of Certification of Product by Manufacturer: June, 2024
