

Statement From Hawaii State Department of Health/Wastewater Branch

Via email; September 2024

Septic tanks that may be approved for use in the State of Hawaii are required to meet the International Association of Plumbing and Mechanical Officials (IAPMO) material and property standards and be approved and listed by IAPMO. The Hawaii State Department of Health does not review and certify manufacturer's Septic Tank products.

Thank you,

Mark Tomomitsu
Environmental Engineer | EMD/Wastewater Branch
Hawai'i State Department of Health | Ka 'Oihana Olakino
2827 Waimano Home Road, Pearl City, HI 96782
Office: (808) 586-4294

VPC Septic Tanks are IAPMO approved and meet most state and county requirements.
Please check your local codes prior to purchase and installation.
