

Statement From North Dakota Department of Environmental Quality

Via email, April 2024

Thank you for your request. The North Dakota DEQ does not have an approval process for septic tank design.

Marty Haroldson

NDPDES Program Manager

701.328.5234 (W) • 701.328.5210 (O) • mharolds@nd.gov • <http://deq.nd.gov>

4201 Normandy Street, 3rd Floor • Bismarck, ND 58503-1324

<p>VPC Septic Tanks are IAPMO approved and meet most state and county requirements. Please check your local codes prior to purchase and installation.</p>
