RE: APPROVAL of the Valencia Pipe Company Tank (87-41720), 1000-Gallon, Two-Compartment Septic Tank for use in Wyoming

Dear Mr. Butler:

The Water Quality Division (WQD) of the Wyoming Department of Environmental Quality (DEQ) has received and reviewed the specifications for your 1000 gallon (87-41720), two compartment roto-mold septic tank. The WQD finds that this septic tank design does meet the minimum requirements as identified in Chapter 25, Section 10 of the Water Quality Rules and Regulations. Subsequently, this product will be placed on our approved septic tanks for use in Wyoming. If you should have any further questions or need further clarifications of how this was determined, please call me at (307)777-7388.

Sincerely,

Jason Fernandez
Assistant Southeast District Engineer
Water Quality
